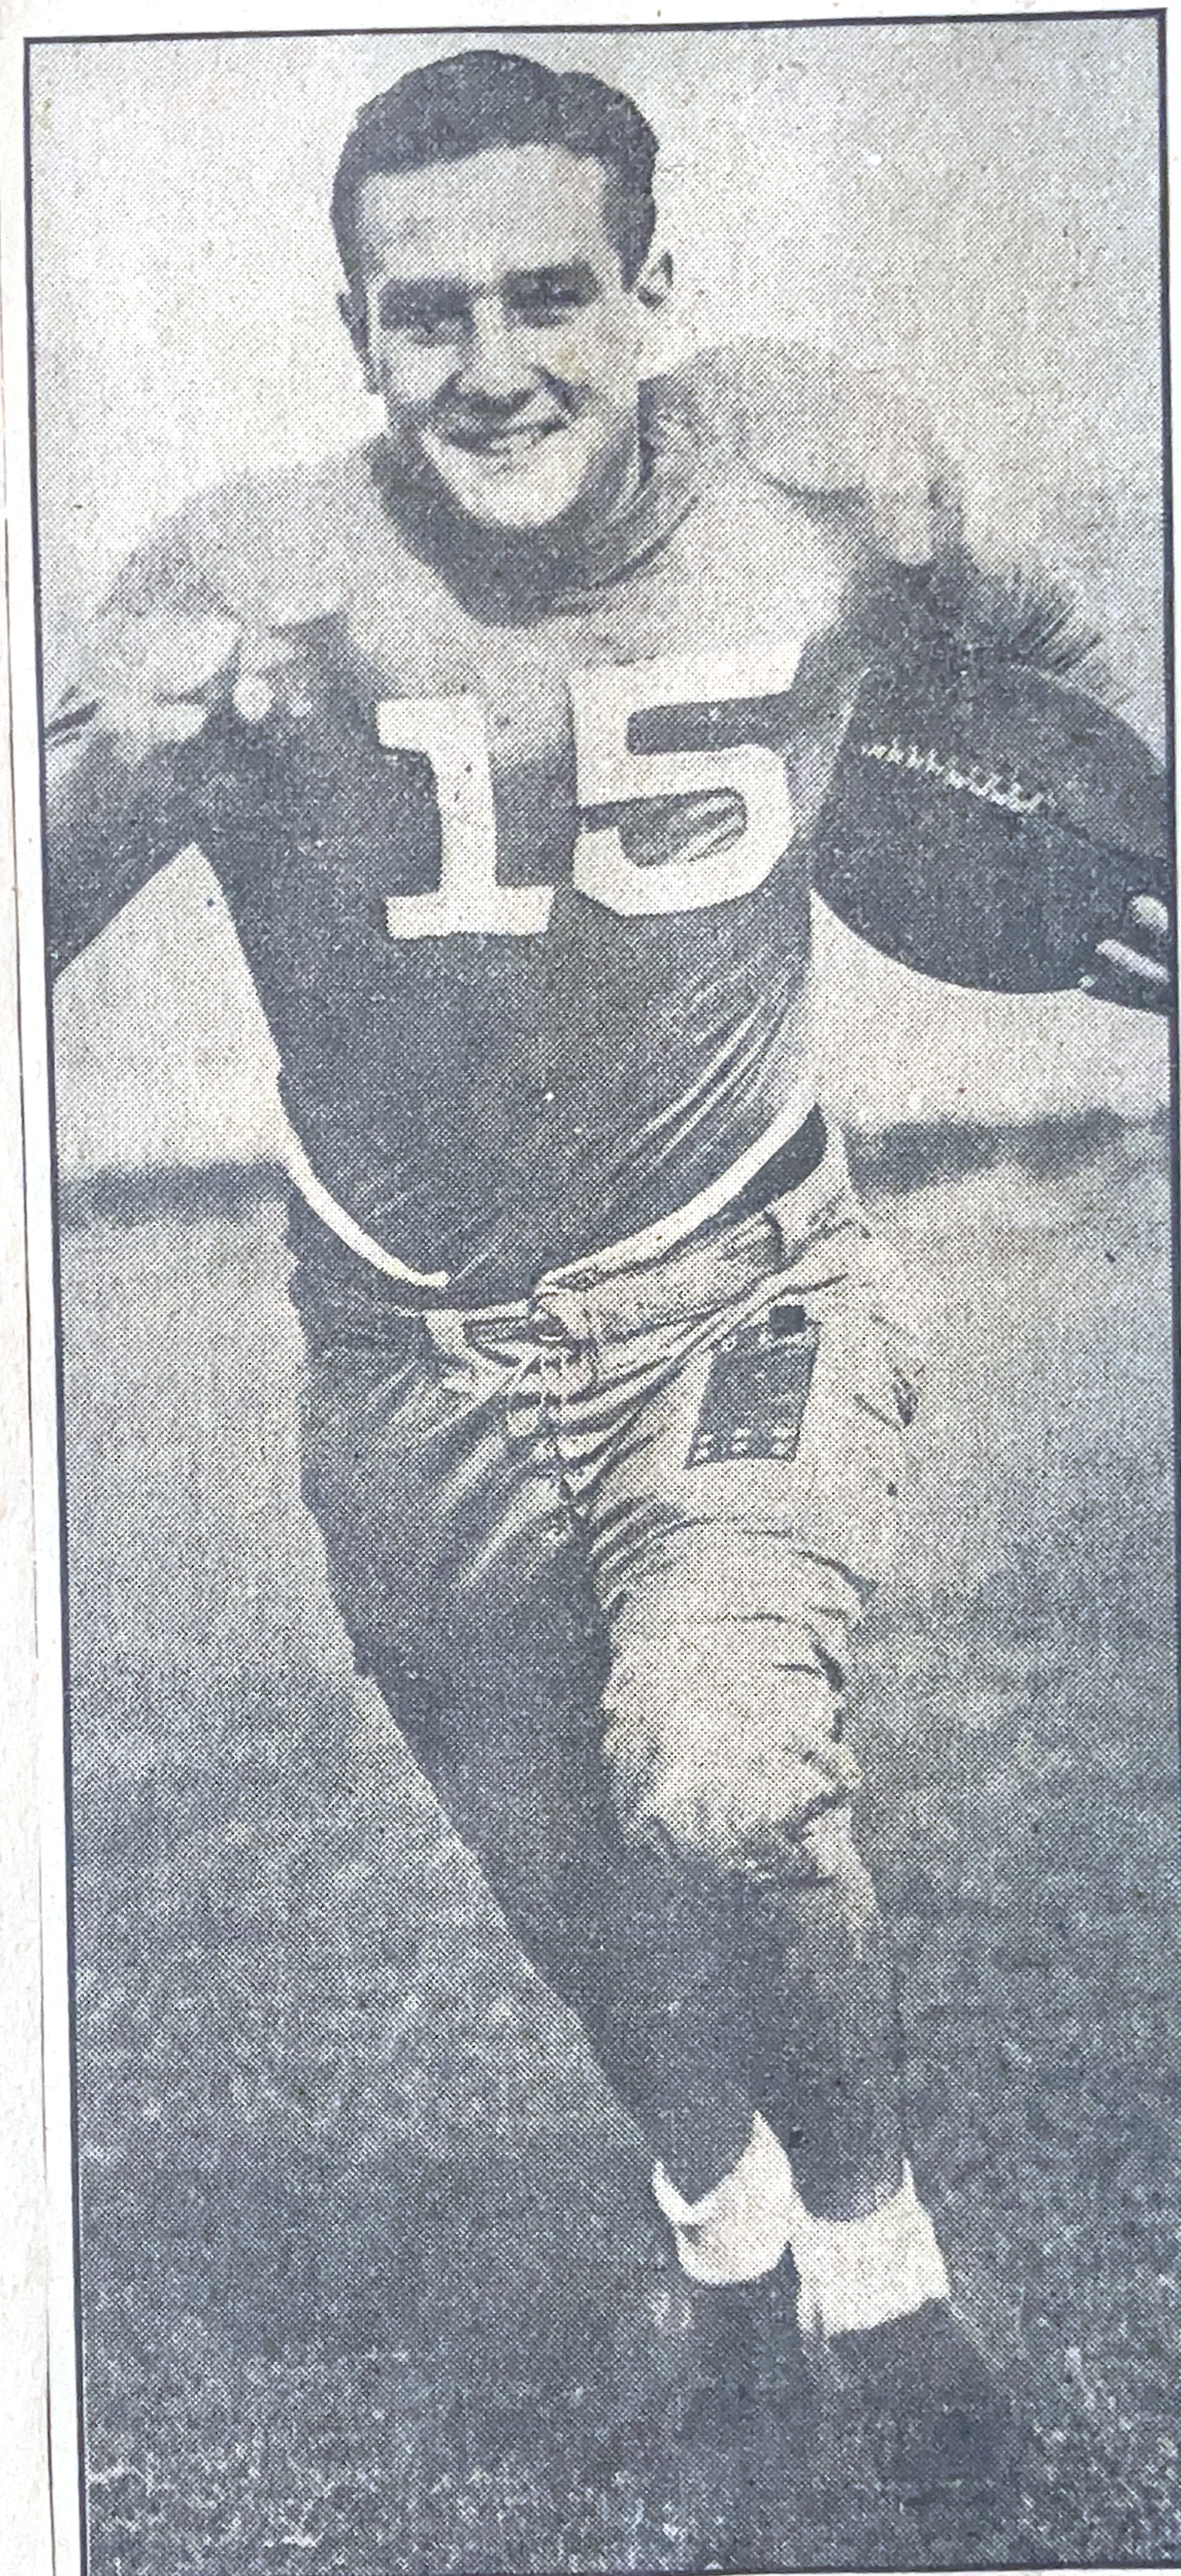
Back on His Native Heath



Harry "Wop" Glover, snapped on one of the dashes such as he took against Southern California in the Rose Bowl several years ago, has been named head coach of St. Stanislaus college, Bay St. Louis, his native town. Since graduating from Tulane "Wop" has been coaching at John Carrol university, near Cleveland. He is being wished the best of luck by New Orleans football fans, who will expect to see St. Stanislaus play a big part in prep school athletics from now on.

By CHARLES L. DUFOUR

"Wop" Glover, the coach, is back in his old balliwick.

It was from St. Stanislaus that young Harry Glover came to Tulane in 1928—a midget with an unconquerable will to win, tremendous leg drive and a penchant for twisting and dodging.

Six years after graduation from the Bay St. Louis institution, "Wop" returns as athletic director and head coach of the Rock-A-Chaws. He will coach football, basketball, baseball and track.

Announcement of his appointment was made Monday.

Hardly anybody knew anything at all about Glover when he came to Tulane. He was just another small halfback.

But when that "small halfback" went into the Texas Aggie game as a substitute for the great Bill Banker, caught a pass and ran nearly 50 yards for the winning touchdown, everybody sat up and took notice.

From that day on, Glover became one of the most spectacular and one of the most valuable backs in the history of Southern football.

Hardly a game passed that "Wop" didn't pull some nifty run or play. And never in pinch, during his whole career, did he fail to come through.

He reached the very top in the Rose Bowl game of 1932 when he turned in two of the most remarkable runs made on any gridiron anywhere.

These runs, of 59 and 35 yards, were recorded by the movies and for several years whenever Hollywood turned out a football film, the hero's winning run was invariably one or the other of "Wop's" celebrated dashes.

Pretty nearly every Southern California player took a shot, or a couple of shots, at "Wop" on his runs, but he whirled past them all, finally being brought down from behind by Ernie Pinckert who ran to a spot "Wop" was apt to reach, although heading in another direction!

Mention of "Wop's" name brings many gridiron thrills to mind...The 78-yard quick kick that broke the heart of the Georgia Bulldogs in 1930...the touchdown against a stubborn Auburn team over at Montgomery when he went in on fourth down, with less than 30 seconds to go and the score 0 to 0 in the first half...His first touchdown against Washington state when he carried three players the last three yards...The run against Auburn at Tuane Stadium when he ran the safety man dizzy trying to anticipate his gyrations...And many others.

Glover played football with enthusiasm. When he ran, he ran like a 195-pounder, though he weighed but 165. When he tackled he did so with keen relish, as if it was a privilege to slap down the foe rather than an obligation.

In the Rose Bowl game, "Wop" came up fast to tackle Gus Shaver at the scrimmage line. The only place Glover could tackle him was around the neck and head and he did so.

"Wop" grabbed his man and held on for dear life. He only let go when the referee came up and tapped him on the back and said:

"All right son, you can let go now, that head won't come off."

50 CANDIDATES UNDER GLOVER AT STANISLAUS

BAY ST. LOUIS, Miss., Sept. 8.—Some fifty boys reported to Coach Harry Glover Friday for football equipment. Nine of these are hold-overs from last season, several of whom are lettermen.

About twenty-five of the boys have been in training for ten days, but Glover says, "there are still eleven places open on the Varsity squad."

Glover will have a good foundation upon which to build a line in Hogg, App, Gianelloni, Ivicevich, and Guidry as guards; Frank and Larry Bonura, Defelice, John Heath, Forrest Pendleton, Andy Becker and M. J. LaNasa as tackles. Charley Flink is the only returning end. Other candidates for the position are: Eddie Heath, Saam Kreeger, Victor Gonzales, and Frank Fagan. Jimmy Grevemberg will again try for the center position. He will have opposition from John Bryan and Harold Cripps.

The candidates for back positions are numerous. Keen competition is being exhibited by every one for a permanent place. Stanislaus should have plenty of speed this year, with such men as: Piercy Stakelum, Marcelino Gonzales, Percy Garriga, John Barnes, Jimmy Henry, Billy Quin, Roy Strong, Theo. Bourgeois and George Gerchow.

Practices will be held every afternoon. For the next few days setting up exercises will be given the new arrivals while the others will go ahead with offensive work.

Stanislaus Gridders Scrimmage

BAY ST. LOUIS, Miss., Sept. 15.—The St. Stanislaus Rockachaws held their first scrimmage of the season today. The squad was divided into two teams, and both showed a world of promise.

Billy App and Billy Hogg are having a great fight for a regular position at guard. Becker, J. Heath, Charley Flink and Ed. Heath are all working for end positions. Flink has an advantage over the other three as he has had three years experience.

The backfield is givink "Wop" Glover some trouble. He has but three veterans from last year's squad, Stakelum, Gonzalez, and Quinn.

Stakelum is the only one who has had any amount of experience. Several of the newcomers are showing some class, among them Frank Fagan from Gulfport; Moustier, a graduate fro mthe second string of last year; Garriga who hails from Kiln; Ryan from Ridgewood. N. J.; and Borne from St. Francisville, La.

In the scrimmage, Squad A was composed of Becker and E. Heath, ends; Boone and Ivicevich, tackles; App and Guidry, guards; Cripps, center; backs, Fagan, Ryan, Moustier, V. Gonzalesz and Camora. Squad B, J. Heath and Flink, ends; Lary and Frank Bonura, tackles; Hogg and Gianelloni, guards; Grevemberg center; backs, Stakelum, M. Gonzales, Garriga, and Quinn. Others who saw service were Duggan, Kreeger, Danos(Butross and Defelice.

Secret Football Practice Carded at St. Stanislaus

(Special to The Times-Picayune)

Bay St. Louis, Miss., Sept. 25.—The St. Stanislaus Rockachaws go into their fourth week of training behind closed gates. The latter was required because of the many spectators gathering near the field, which distracted the boys.

Coach Glover is well pleased with the work accomplished. Timing and blocking have been stressed as of major importance in all practices over the week-end, with plenty of defensive work thrown in.

Borne, Jack Sandoz and Garriga are likely choices for the punting game for Stanislaus this year. The quarterback job is still open, with Fagan, Stakelum and M. Gonzalez fighting for first pick.

Ivicevich loomed on the horizon the latter part of the week as a strong contender for a tackle berth against the Bonura brothers. "Isky" stacks up with about 160 pounds, while the Bonuras hit the scale around the 180 and 190 mark.

ROCK A CHAWS OPENS GRID SEASON

BAY ST. LOUIS, Miss., Sept. 30.—The St. Stanislaus Rock A Chaws will open their football season this afternoon on the home field when they clash with the Springhill High eleven of Mobile, Ala.

Coach Earl Smith, who was an important cog on the Alabama team of 1928, handles the affairs of the Springhill team and expects his proteges to have a good season.

Harry "Wop" Glover, who won world wide fame at Tulane, will make his debut as coach at St. Stanislaus when the Rock A Chaws trot out on the field.

A large crowd of followers are expected from Mobile for the game, while many football fans along the Gulf Coast are interested in seeing Glover's charge in action for the first time.

The probable lineup of the Rock A Chaws follows: Ends, Heath and Flink; Tackles, Larry and Bonura; Guards, App and Gianelloni; Center, Grevemberg; Quarterback, Fagan; Halfbacks, Stakelum and Garriga; Fullback, Borne.

Stanislaus Wins Over Spring Hill High Eleven 32-3

(Special to The Times-Picayune)

Bay St. Louis, Sept. 30.—The St. Stanislaus Rockachaws rode roughshod over Spring Hill High's team today at Bay St. Louis, defeating them, 32 to 3.

The Spring Hill squad showed considerable opposition in the first quarter, holding the powerful Rockachaws' line to a standstill.

Byrnes of Spring Hill opened the second quarter by booting the ball to the Stanislaus 29-yard line, where the Rockachaws started a march for the first marker of the game. Spring Hill held for three downs on the three-yard line. A fumble by Gonzales put the ball into the hands of Garriga who carried the ball over from the five-yard line. Gonzales converted for the extra point by a plunge over center. The half ended with Stanislaus ahead, 7 to 0.

Spring Hill kicked to Quin, to open the third quarter. A pass to Quin netted 25 yards and, from there on, it was a clear march to the goal. Quin took another pass from the 25-yard line for the third tally. Garriga intercepted a pass on the Spring Hill 45-yard line, going for the fourth marker. A place-kick by Garriga was converted.

Late in the fourth quarter Cripps intercepted a pass on the Stanislaus 40-yard line and another march down the field carried to the 30-yard line where Gonzales put it over. The try for point was missed.

Rock-A-Chaws Down Springhill, 32-0

BAY ST. LOUIS, Oct. 1.—The St. Stanislaus Rock-a-Chaws easily downed the Springhill Baby Badgers here Sunday afternoon taking in the long end of a 32 to 0 score.

In the closing minutes of the fourth quarter the visitors threatened with a barrage of passes that netted them three first downs in succession from their own 35-yard line down to the Stanislaus 35 where a pass was intercepted by Gonzalez, Rock-a-Chaws fullback.

The first quarter was scoreless. In the second quarter the Stanislaus squad started a march from their thirty bringing the ball down to the visitors' three-yard marker where they were held for three downs. A pass from center was muffed by Gonzalez, but grabbed by Garriga who went over for the first score. Gonzalez converted the extra point by plunging over center.

Stanislaus scored nineteen points in the third period. Two came from straight marches down the field. A third through an intercepted pass on the Springhill 35-yard line by Garriga, who raced for a touchdown.

Coach "Wop" Glover used every man on the bench. The subs scoring a lone touchdown in the last period.

St. Stanislaus Beats Kiln '11' by 33-6 Count

(Special to The Times-Picayune)

Bay St. Louis, Miss., Oct. 12.—"Wop" Glover's Rockachaws played havoc with "Baby-Grand" Scafide's sturdy fighting eleven from Kiln to beat them 33 to 6 here today.

Just before the opening whistle, Mayor G. Y. Blaize of Bay St. Louis met the two coaches in the middle of the field to wish good luck to both Glover and Scafide.

Garriga kicked to H. Ladner on his 18-yard line and he ran to the 28 where he fumbled, recovery being made by J. Heath of St. Stanislaus. On four plays, Stanislaus took it to the eight, where Garriga carried it over. The attempt at placement was blocked.

On the kickoff, Ladner brought it to the 27 where Kiln was held for downs.

Stanislaus was penalized twice for holding, bringing the ball back to the 50. Garriga of St. Stanislaus went around end with fine help from the line and interference to bring the ball to the 20. Stakelum and Quin brought it to the two and Garriga carried it over. He also converted with a place-kick.

Late in the second quarter, after Kiln had been held for downs, a quick kick was partly blocked on its own 30-yard line. A march down the field by Gonzalez, Garriga and Quin brought the ball over with Garriga again converting. Another marker was chalked up near the end of the period, when Stakelum carried it over from the 15-yard line.

Both teams scored in the last period. Kiln got loose with several short passes which brought the ball within scoring distance, Mills, husky fullback for the Kiln team, taking the ball over from the five-yard line.

On a series of line plays with Ryan, Sandoz and Gonzalez gaining consistently through the line, the ball was taken over by Gonzalez. A pass from Quin to Sandoz was good for the extra point.

ROCKACHAWS ROMP OVER KILN HIGH

BAY ST. LOUIS, Miss., Oct. 13.—The St. Stanislaus Rock-a-Chaws continued on their winning way when they turned back "Baby Grand" Scafide's Kiln High team, 33-6, here Friday.

The Rock-a-Chaws outplayed their opponents at the line but were about even through the air.

Stanislaus tallied their first marker shortly after the game got under way. Garriga kicked off to H. Lander on his 18-yard line and he ran to the 28 where he fumbled and J. Heath recovered for the Rock-a-Chaws. On four plays, Stanislaus brought the ball to the eight-yard stripe from where Garriga carried it over. The attempt at placement was blocked.

Garriga again played a big part in the second marker. With the ball in mid-section the speedy Rock-a-Chaw star went around end behind good interference to bring the ball to Kiln's 20-yard line. Stakelum, Quin and Garriga in drives through the line, brought it over.

A march down the field by Gonzales, Garriga and Quin again figured in another touchdown with Stakelum carrying the pigskin across from the 15-yard line.

Both teams scored in the final period. A series of short passes accounted for the Kiln tally, while line plays by Ryan, Sandoz and Gonzales earned the Rock-a-Chaw final tally.

Former Greenie Stars Meet on Gridiron

Harry "Wop" Glover and John "Baby Grand" Scafide, former Tulane football stars, met on the gridiron again Friday at Bay St. Louis, Miss., when Glover's St. Stanislaus eleven defeated Scafide's Kiln High team, 33-6. Glover is shown at right with Scafide at left. Mayor G. Y. Blaize of Bay St. Louis is shown between the coaches.

Panthers To Play St. Stanislaus '11'

"Monk" Zelden's St. Aloysius Panthers will play the second game on their home schedule when they meet the St. Stanislaus Rock-A-Chaws of Bay St. Louis Saturday night at Loyola stadium.

This will be the first road game for "Wop" Glover's Rocks and while word comes from the Bay that injuries have hit the St. Stanislaus camp the visitors should put the Panthers to a tough struggle.

Fagan, first string quarterback, is out with a charley horse which may force Glover to start Cripps in his place as the No. 1 back. Gene Monti another regular who was taken out of the game with Kiln with a strained tendon will have to be replaced by either Guidry, Hogg or Larry Bonura.

Rockachaws Play St. Aloysius Here Saturday Night

(Special to The Times-Picayune)

Bay St. Louis, Miss., Oct. 16.—"Wop" Glover's Rockachaws will trek to New Orleans for their next game to take on the St. Aloysius Panthers at the Loyola Stadium under the lights Saturday night. The game was originally planned for Sunday, but owing to the fact that the Jesuit-Commy High game was already in possession of the field the Stanislaus squad will appear a day earlier.

The Rockachaws took a limbering-up exercise Sunday afternoon to work out the kinks of the Kiln game. Monday afternoon there was a return to a stiffer schedule of blocking and tackling, both departments being stressed because of a lack of weakness last week-end.

Several injuries may necessitate changes in the Rockachaw camp. Cripps, who has been acting as substitute center, will be brought back to the backfield and placed as No. 1 to replace Fagan who has been nursing a charley horse for the past two days. Hogg, Larry Bonura or Guidry may be seen as running guards instead of Gene Monti who had to be taken from the game last week suffering from a strained tendon. The latter may be permitted to get into the game, but at this writing it is rather doubtful whether the doctor will give him permission.

Judging from the score of the Commy-St. Aloysius tilt of last Saturday night, the Saints have improved since their opening game. Glover is not going to allow any grass to grow under the feet of the Stanislaus squad this week, as he is expecting plenty of opposition from the Panthers.

A tight pass defense is on the card for Tuesday afternoon when the squad reports for practice in anticipation of what Coach Zelden has in store for the chaws.

Glover's Team In Bad Condition

BAY ST. LOUIS, Miss., Oct. 17.—"Wop" Glover is gathering gray hairs this week trying to determine a full squad for Saturday night's game against St. Aloysius. His running attack is shot to pieces with Monti and Fagan on the bench with bruised tendons. Both these boys may be out for another week or more. Fagan is not responding so quickly to treatment, but Monti seems to be coming along slowly.

Monti's place at running guard will have to be filled with some one from the reserve squad, as Glover has no man fast enough on the squad to fill the bill. This makes the second running guard to be replaced this season. Fagan, who has been heading the running attack in great style in the three games to date, is due to be out until the Homecoming Day game in November.

To go with the running attack the varsity has been going in strong for a passing attack, while on defense they have been concentrating their efforts to knock down anticipated passes from an Aloysius offense.

The Rockashaw squad will leave the Bay either on the late morning train or early in the afternoon by bus. They will go direct to the Loyola stadium, where they will rest until game time.

St. Stanislaus-Pascagoula Game May Decide Coast Gridiron Title

(Special to The Times-Picayune)

Gulfport, Miss., Oct. 16.—Although four weeks away, the scheduled football clash between the Pascagoula High school Panthers and St. Stanislaus college Rockachaws already has Mississippi coast gridiron fans pointing to the classic as the deciding issue of the 1934 class A Gulf coast regional titular race.

The Panthers are defending champions, sailing through a 10-game slate unbeaten in regional play in 1933, and this fall have to date registered four successive victories over Gulfport's Commodores, Murphy Panthers of Mobile, Bay St. Louis High Tigers and Gulf Coast Military academy.

St. Stanislaus has scored three triumphs in as many starts, stopping Spring Hill High of Mobile in the season inaugural by the score of 32 to 0, following with a 20-to-6 win over Moss Point, and last week defeated Kiln Vocational High by 33 to 6.

The Pascagoula-Stanislaus game is scheduled on November 9 to be played in Bay St. Louis. However, it is understood that efforts are being made to have the contest transferred to the Gulfport fair grounds for a night game, with the Gulfport Young Men's Business Club as sponsors. Whether this plan goes through is uncertain as it is known that Stanislaus turned thumbs down on a proposal to shift the battle for Pascagoula.

Pascagoula presents a well-balanced combination moulded around Captain Ernest Larsen with Coach C. C. Moore at the helm for his second successive year. The team opened its schedule in midseason form, steam-rolling over Gulfport, and has continued that fast high-scoring pace in its other three performances.

The Rockachaws are a heavy-charging outfit under the direction of Harry (Wop) Glover, former star backfielder at Tulane. An interesting feature is that Glover graduated his high school course at Stanislaus and his returning there to coach this season created quite a sensation.

Only last Friday, Glover's Rocks mowed down the Windcats of Kiln by a wide margin. The Cats are coached by John "Baby Grand" Scafide, also formerly of Tulane and a teammate of Glover on the Green Wave.

Stanislaus has the edge over the Panthers in the schedule which lies between their meeting. The Rocks, undefeated in the region, play three New Orleans Prep League squads on successive week-ends, while Pascagoula has a dangerous foe in the Biloxi High Indians one week before the Panthers journey to Stanislaus Stadium.

Pascagoula meets the McGill Institute Yellowjackets of Mobile this week on the Panthers' grid while Glover carries his Rockachaws to New Orleans to battle St. Aloysius Sunday afternoon.

The following week Pascagoula invades Picayune in a regional game with Stanislaus, returning to the Crescent City to vie with Holy Cross. The next week pits the Panthers against the Indians while Stanislaus plays Commercial High of New Orleans before a Homecoming Day crowd.

Picayune and Biloxi smear the color of the pending feature of the season but if the Panthers do come through unbeaten a record throng is expected to witness the Pascagoula-Stanislaus classic.

Pascagoula presents a well-balanced combination moulded around Captain Ernest Larsen with Coach C. C. Moore at the helm for his second successive year. The team opened its schedule in midseason form, steam-rolling over Gulfport, and has continued that fast high-scoring pace in its other three performances.

The Rockachaws are a heavy-charging outfit under the direction of Harry (Wop) Glover, former star backfielder at Tulane. An interesting feature is that Glover graduated his high school course at Stanislaus and his returning there to coach this season created quite a sensation.

Only last Friday, Glover's Rocks mowed down the Windcats of Kiln by a wide margin. The Cats are coached by John "Baby Grand" Scafide, also formerly of Tulane and a teammate of Glover on the Green Wave.

Stanislaus has the edge over the Panthers in the schedule which lies between their meeting. The Rocks, undefeated in the region, play three New Orleans Prep League squads on successive week-ends, while Pascagoula has a dangerous foe in the Biloxi High Indians one week before the Panthers journey to Stanislaus Stadium.

Pascagoula meets the McGill Institute Yellowjackets of Mobile this week on the Panthers' grid while Glover carries his Rockachaws to New Orleans to battle St. Aloysius Sunday afternoon.

The following week Pascagoula invades Picayune in a regional game with Stanislaus, returning to the Crescent City to vie with Holy Cross. The next week pits the Panthers against the Indians while Stanislaus plays Commercial High of New Orleans before a Homecoming Day crowd.

Picayune and Biloxi smear the color of the pending feature of the season but if the Panthers do come through unbeaten a record throng is expected to witness the Pascagoula-Stanislaus classic.

Band Accompanies Stanislaus Team

BAY ST. LOUIS, Miss., Oct. 19.—The Rock-a-Chaw football squad will be accompanied by their newly organized band of 30 pieces when they entrain Saturday afternoon for Loyola stadium to meet the St. Aloysius Panthers.

Coach Glover would like to correct a misunderstanding regarding the "prophetic" words which emanated from Gulfport during the week as to his pointing toward a championship. The Stanislaus squad as a whole has not one player of championship potentiality, and the squad as a whole has not the necessary reserve power for such a campaign. The Rock-a-Chaw mentor says he will be very much satisfied to win a decent percentage of games scheduled this season and hope for better times next year.

This week-end is a case in point. The Kiln game of last week-end brought about injuries that will greatly weaken the running attack as planned by Glover. Neither Fagan or Monti, both of whom were depended upon to lead the way for ball carriers, will be available for service. It is felt that if Stanislaus manager to hold down the score Saturday night every one will be satisfied.

GLOVER BRINGS STANISLAUS 11 FOR GAME HERE

The St. Aloysius Panthers meet the Rock-a-chaws of St. Stanislaus at 8 p. m. tonight at the Loyola stadium.

The visitors, coached by "Wop" Glover, one of Tulane's Rose Bowl heroes, will be making their first appearance in New Orleans.

The Rock-a-chaws are hailed as one of the best prep teams n this section.

The entire St. Aloysius squad is in the best condition that can be expected after their strenuous training ground. Of the reserves Pete Bonano, a ball carrier, showed the most improvement during the week.

Al Liska, who scored his team's only touchdown against Commy, will be the man for the Rocks to watch, for he is dangerous once around an end. He is shifty and can handle himself well.

Ed Noullet is the other halfback who is counted upon strongly. Willie Preau, who won over the fullback role in the initial Panther game, will start in that position and should be ready to go.

Eddie Grueber will call signals from his regular quarter back berth.

STANISLAUS '11,' ALOYSIUS VIE HERE TONIGHT

'Wop' Glover to Lead Unbeaten Rocks Against Local Eleven

By Stanley Ray, Jr.

Coach "Wop" Glover comes to town with perhaps the best team in the history of St. Stanislaus to play the St. Aloysius Panthers tonight at Loyola Stadium at 8 p. m.

The Rockachaws have a perfect record so far, winning three games in a row. In the opening game of the season, the Rocks defeated Spring Hill High of Mobile, 32 to 0. The second game resulted in another victory, over Moss Point, by a 20 to 6 score. Last week Glover's team defeated Kiln 33 to 6. In every one of these contests the Gulf coast eleven has shown lots of offensive strength, built around a powerful speedy backfield, and a big, hard-charging line. Running up 85 points in three games is a lot for any team and this demonstrates the strength of the Rocks' offense.

Gulf coast enthusiasts rate the Stanislaus team a fine chance of winning the title on the coast this year as they are one of the strongest of the teams in the Gulf Coast Conference.

This will be the first opportunity for prep fans to get an idea on the power of the Rockachaws. They will be seen two successive week-ends against local Class A high schools.

St. Aloysius has engaged in two contests so far, coming out on the short end of both. However, in their game last week, the Panthers played a fine game against the Commy eleven, showing lots of spirit and fight. In Captain Al Liska, the Panthers have a threat which always gives them a chance, no matter how good the opposition. Liska is always capable of breaking loose for long touchdown runs with the slightest opportunity. The Rocks will have to stop this boy to win.

A large crowd of fans from Bay St. Louis is coming over for the game. An attempt to get the St. Stanislaus alumni out in force for tonight has been under way for the past week and, from all indications, local men, formerly St. Stanislaus students, will be seen in the Rock cheering section pulling for their team.

STANISLAUS TEAM DOWNS ST. ALOYSIUS

Rockachaws of Bay St. Louis Beat Locals 25 to 6

By Stanley Ray, Jr.

A fast, hard-driving team from St. Stanislaus High of Bay St. Louis defeated the St. Aloysius Panthers 25 to 6 Saturday night at Loyola Stadium before a small crowd of fans. The powerful Rock-a-chaw offense pushed over one touchdown in each of the four periods while the best the Panthers could do was score once in the opening period, on a long run by their ace back, Al Liska.

St. Stanislaus chalked up 16 first downs as compared with eight for the Panthers. The visitors completely outclassed the locals in every department of the game. However, it must be said to the credit of the Panthers, that they fought until the final whistle blew.

In Percy Garriga, who scored three of the four touchdowns, and Percy Stakelum the Rocks displayed two of the best high school backs ever seen on a local gridiron. Every time one of these men took the ball it resulted in a gain.

Recovering a fumble on the opening kickoff the Rocks drove to a touchdown. Gruber fumbled and Bonura recovered on the 40-yard line. Runs by Cripps, Quinn and Stakelum brought the ball to the four-yard line, where Garriga drove through center for the score. Garriga's kick was blocked by Petrie.

Al Liska Runs 81 yards

On the next play Al Liska caught the kickoff on his own 19-yard line and returned it for 81 yards and a touchdown. In his run Liska was hit twice but managed to continue on, dodging three tacklers to cross the goal line standing up. Liska's pass for the extra point was knocked down.

Two touchdowns were made in less than eight minutes and fans settled down for a close and exciting game. However, they were disappointed for the power of the Rocks was too much for the Panthers.

It wasn't until the middle of the second period that the visitors could push over another score, so desperately did the Panthers battle. After an exchange of punts Stanislaus got the ball on the Aloysius 30-yard line, A pass from Garriga to Heath gained seven yards, and then Quinn broke loose around left end for 20 yards, putting the ball on the three-yard line. Stakelum hit center for two yards and then Gonzales plunged through guard for one-yard and the score. A bad pass from center which was grounded by the Panthers kept the Rocks from making a try at the extra point.

At the beginning of the third period, Stakelum returned Mestayer's punt 38 yards to cross the goal standing up, but it was not allowed as a touchdown, for one of the Stanislaus men clipped from behind on the six-yard line. Stanislaus was penalized 15 yards from this point, and the ball given to St. Aloysius. A hot argument between Coach "Wop" Glover and the referee held up the game for about five minutes. The ball was finally given over to the visitors on the 15-yard line and they drove on to a touchdown.

Garriga and Quinn picked up five yards and a pass from Garriga to Flink for eight yards put the ball on the two-yard line. Garriga hit center for the score. A try at extra point was missed but the Panthers were offsides and Stanislaus got another try. This time Garriga hit right tackle for the point.

The last Stanislaus touchdown came about due to poor quarterbacking by the Panthers. With four minutes to play and the ball on their own 25 yard line the Panthers got only four yards on three tries. On last down the quarterback elected to pass instead of kicking and the pass was incomplete, the ball going over to Stanislaus on the 29.

Quinn got five yards at center and on the next play Garriga broke loose at right tackle for 25 yards and the score, getting some nice blocking on this run.

Outside of Liska's run for a touchdown the Panthers made no other threat to score, never getting closer to the Rocks' goal than the 38-yard line.

Besides Garriga and Stakelum in the backfield, for Stanislaus, Flink and App played good ball in the line. For the Panthers Liska in the backfield and Roussel, Jaubert and Mestaver in the line were the best

Cross '11' Invades Bay Today

Faces Strong Stanislaus Outfit

The Holy Cross Tigers leave the city this morning at 11 a. m. by automobile for Bay St. Louis where they will play the St. Stanislaus Rock-A-Chaws.

Game time at the Bay is 2:45 o'clock and probably a number of local fans will go to the coast for the game. The team will arrive at the Bay about 1:00 o'clock.

"Chuck" Jaskwhich now has confidence in his second team and may start an entire second string team against the Rocks.

Both Holy Cross and St. Stanislaus have been scored upon. The Rock-A-Chaws goal line was crossed three times and the Tigers twice.

St. Stanislaus has won four games in four starts, beating Spring Hill High 32-0, Moss Point, 20 to 6, Kiln Hi, 33 to 6, and St. Aloysius, 25 to 6. Holy Cross has won two games and tied one in three starts, defeating Commy High, 21 to 7. Bogalusa, 26 to 7, and tying Fortier, 0 to 0.

Local fans got an opportunity to see the strong attack which "Wop" Glover has perfected when the Rocks beat St. Aloysius last Saturday night here.

Percy Garriga, Stanislaus left half, stacks up with the best backs in Mississippi.

He is a hard charging ball carrier whose passing and punting as well as running provides the Rock-A-Chaws with lots of punch. Stakelum is another fine back who starred against St. Aloysius here.

The Rocks have a fine set of tackles in the Bonura brothers, Larry and Frank. Charlie Flink is an end who has received many passes for Rock-A-Chaw gains and who plays well on defense.

Holy Cross has a fine line from end to end. Paul Beach and Ernie Bachemin are the ends.

Al LaCroix and "Cy" Hickey are the regular tackles. They starred in the Fortier game.

The guards, "Pinkey" Pardo and "Red" Daly, are strong. Daly is still nursing an ankle injury from

STANISLAUS IS PREPPING FOR CROSS BATTLE

Rockachaws Lose Pair of Players Due to Injuries

(Special to The Times-Picayune)

Bay St. Louis, Miss., Oct. 24.—The St. Stanislaus Rockachaws are prepping for the hardest game of the season Sunday here when they meet Holy Cross of New Orleans. The scoreless tie of the Fortier-Holy Cross tilt of Monday night has added pep to the preparations.

The Rockachaws, although coming out on top in the St. Aloysius game, suffered a couple of injuries that may hurt their offense against Holy Cross. John Heath, left end, has a severe bruise on his shoulder that will most likely keep him on the bench. Garriga twisted an ankle when he got mixed up in the headlinesman's chains at the Loyola Stadium which will keep him out of any team drill all week.

Glover has had his charges going through dummy scrimmage against Holy Cross plays Monday and Tuesday. Special stress has been put upon the line plays without forgetting the pass defense.

Due to the fact that there will be a citywide celebration Sunday of the Holy Name societies, the game has been transferred to the Stanislaus Stadium at Bay St. Louis. The game is scheduled for 2:45.

Because of the fact that neither team has been defeated this season, a big crowd is expected from the city and from along the coast.

ROCKACHAWS, TIGERS MEET IN BAY GAME

Holy Cross Goes to Coast Today for Expected Hard Game

The Holy Cross Tigers will meet the St. Stanislaus Rockachaws this afternoon at St. Stanislaus college field in Bay St. Louis, Miss. The game is expected to be very close as Holy Cross is one of the favorites to capture the city championship while the Rockachaws are considered to be the team to beat for the Gulf coast crown.

Last week in New Orleans Stanislaus showed its power to local fans when it defeated the St. Aloysius Panthers 25 to 6. Holy Cross played a 0-0 tie with Fortier in the game that was to apparently decide the city championship.

During the past week both coaches "Wop" Glover of St. Stanislaus and "Chuck" Jaskwhich of Holy Cross have run their teams against opposition plays. "Wop" drilled his team especially on pass defense while the Tiger mentor stressed the Stanislaus off tackle plays, which the Rocks used to advantage against Aloysius.

One thing in favor of the Tigers is the fine kicking of Bernie Boesch which will aid them in keeping the Rockachaws in their own territory. The Rocks have not shown a capable punter nor have they quite gotten the knack of returning punts for long distances.

A keen rivalry exists between Holy Cross and St. Stanislaus and since both teams have title contenders in their respective leagues, fans are particularly anxious for their elevens to win. Almost 100 fans are going over to Bay St. Louis either by train or auto to cheer for the Tigers.

In the only other game scheduled today by a local team, Kenner meets Thibodaux in Thibodaux. Kenner has already won three games from country teams and will be aiming for their fourth victory. Last week the Thunderbolts lost to N. O. A. by a 6-0 count.

Rockachaws Have Final Light Drill

(Special to The Times-Picayune)

Bay St. Louis, Miss., Oct. 27. — The Rockachaws concluded practice this afternoon with a light signal drill in preparation for the invasion of Holy Cross college Sunday to the Stanislaus stadium.

Coach Glover is banking entirely on his defense to hold down the New Orleans prep eleven.

The offensive play will be weak due to the absence of Garriga, regular left half, and John Heath, regular left end. Both boys are still out with injuries received in the St. Aloysius game. Jack Sandoz will most likely start in Garriga's place in the backfield, while either Becker or Ed. Heath will hold down the left terminal.

HOLY CROSS WINS OVER STANISLAUS

Tigers Score Touchdown in Third Quarter to Triumph 7-0

(Special to The Times-Picayune)

Bay St. Louis, Miss., Oct. 28.—Stanislaus lost a heart-breaker to Holy Cross Sunday afternoon 7 to 0. The lone marker for the visitors was accounted for in the closing minutes of the third quarter when, after an exchange of punts, Holy Cross took possession of the ball on the Stanislaus 35-yard line. Booth, on a reverse, went through left tackle for 15 yards. Brunner was held at the line on the next play. On the second down Boesch lateraled on the Stanislaus 15-yard line to Brunner, who went around left end for the touchdown. Booth place-kicked the extra point.

A large delegation from New Orleans was on hand for the opening whistle. Flink booted the ball to Dalier on the Cross' 10-yard line, who brought it to the 25. Holy Cross was held for downs. An attempted punt was partly blocked, the Rockachaws recovering on the 37-yard line. On the next play Cross recovered Borne's fumble on the 25.

For the rest of the half both teams battled in the middle of the field with neither team able to bring about any consistent gaining.

Neither team was able to penetrate farther than the 30-yard line. Both teams opened up with everything in the bag during the first period looking for a break or a weak spot.

In the third quarter Stanislaus kicked to the Holy Cross 10. They were held for downs on their own 15. Stakelum returned Boesch's punt to the Cross' 44. A fumble by Borne gave the ball to Holy Cross on the 50. A quick-kick sent the ball down to the Stanislaus' 15. Stanislaus made two first downs, bringing the ball up to the 35, where they lost it again on a fumble. Cross made its lone marker from this point.

Stanislaus threatened in the fourth quarter when, on four plays, they brought the ball from their own 50-yard marker to the Holy Cross' 38-yard line. Garriga went around right end for 20 yards, Stakelum took 15 through the line, a short pass from Quin to Cripps brought the ball to the 38. A pass from Quin to Stakelum in the flat zone was incompleted, the ball going through his hands.

Both teams played a bang-up game from the opening whistle to the close. The St. Stanislaus team fought hard, but were unable to get their speed going for lack of reserve power. Garriga, Stanislaus mainstay, played a part of a quarter due to a bad ankle.

Stanislaus Loses First Grid Game

BAY ST. LOUIS, Miss., Oct. 29.—Holy Cross took the Stanislaus Rockachaws into camp Sunday afternoon on the St. Stanislaus field 7 to 0.

The lone score came in the latter part of the third quarter when after an exchange of punts with Boesch of Holy Cross gaining from 10 to 15 yards on the exchange. The Tigers took the ball on Stans 35-yard line, Booth went through center for one yard; Boesch on a reverse through tackle went 15 yards. From the 15-yard line Brunner lateraled to Boesch who went around left end for a touchdown. Booth place kicked the extra point.

Stanislaus opened the game with Flink booting the ball to Dalier on his own 10-yard line who brought it to the 25. Holy Cross was held for downs; a punt was partly blocked, the Rockachaws recovering on Holy Cross 37-yard line. Borbe of Stanislaus fumbled on the 25-yard line, which was recovered by Holy Cross.

The rest of the half with the exception of the closing minutes of the second quarter was played in Holy Cross territory. Neither team seemed to be able to pierce the hard charging lines for more than two or three yards.

Grevemberg lankly center for Stanislaus accounted for seven or eight tackles behind the line of scrimmage throwing Cross for losses on as many occasions.

With the opening of the third quarter, Holy Cross worked on the Stanislaus tackles with great succes using reverses and spinners which netted substantial gains each time. Boesch and Brunner taking the punishment for most of this ground gaining. Both boys accounted for the lone marker through their persistent line plunging.

Stakelum, full back, of Stanislaus was the "only consistent ground gainer during the afternoon. His best run of the afternoon was for 25 yards. His pass work was exceptionable good with Heath and Cripps on the receiving end.

Several hundred people from New Orleans were on hand to see the teams in action. One of the largest crowds of the season packed the Satnislaus field to capactiy.

In the closing minutes of the fourth period Stanislaus lost an opportunity of tieing up the score when on five plays from their own five-yard line with Garriga netting 20 yards on a delayed end run; Stakelum going off tackle for 15, and a short pass bringing the ball to the middle of the field, a pass from Quin to Stakleum in the flat zone was incomplete with no Holy Cross man in sight.

St. Stanislaus '11' Preps for Game With Commy Hi

(Special to The Times-Picayune)

Bay St. Louis, Miss., Oct. 30.—Preparations are going forward at St. Stanislaus for the annual Homecoming and Dads' Day celebration which is to take place Sunday. A large number of the alumni is expected to be on hand to see the annual clash with Commy High of New Orleans.

The Rockachaw squad reported Monday afternoon for limbering up. No further casualties are on the list. Garriga and John Heath are still laid up from injuries received in the St. Aloysius game. Both boys were in the Holy Cross game for a short period, but neither one was in perfect condition.

Coach Glover expects to be able to shoot the full squad against Commy next Sunday. From reports, Commy boasts of a fine team. Its victories over Aloysius and Warren Easton and the close score of the Jesuit game makes the Stenogs another tough foe for the Rockachaws to handle.

The squad has heard plenty about the Brennan-Hoffman pass combination and the practice this week will tend towards keeping down this offense to a minimum.

The Junior Rockachaws (130-pound team) will play the McGill Juniors here Thursday afternoon. The Mobile boys won last year by a big margin. The Little Rocks are practicing daily in hopes of retrieving lost laurels.

Full Stanislaus Squad Ready for Commy Tilt

(Special to The Times-Picayune)

Bay St. Louis, Miss., Nov. 1.—There is great jubilation in the Stanislaus camp because of the fact that a full squad will be on hand to tackle Commy High Sunday afternoon. Garriga will be able to take his usual place at left half, and will be depended upon to do plenty of running. Gianelloni, running guard, is being prepped to take over one of the tackle positions, most likely the right side of the line which proved rather weak last week-end against Holy Cross.

Johnny Heath is coming along nicely with his injured shoulder. From present indications he will most likely start in his regular place at left end.

Coach Glover has been busy with the squad for the past couple of days in drilling the team on a couple of new plays for the charges of Coach Pete Miller. The team had a full-length scrimmage Wednesday afternoon against Commy's plays. Thursday morning the squad was put through a stiff workout on the new plays to insure their proper timing.

COMMY STENOGS PLAY ROCK-A-CHAWS AT BAY SUNDAY

Commy High will journey to Bay St. Louis for their annual game with St. Stanislaus Rock-A-Chaws Sunday. The Stenogs are in good spirits after the upset of Warren Easton last week.

The Stenogs have no setup in this tilt. The St. Stanislaus team which played two of the local Prep teams, St. Aloysius and Holy Cross, have proved they have a formidable eleven.

"Wop" Glover has been putting his team through their paces and is pointing for the Commy team which Holy Cross defeated, 21 to 7. The Rocks only lost to Holy Cross by a 7-to-0 score.

Except for Percey Garriga and Johnny Heath, halfback and end, the Rocks are in fine condition. These boys were hurt in the St. Aloysius game here, but saw some service against Holy Cross last Sunday.

Pat Brennan, Pete Calagno and Eddie Hoffman, the former two backs, and the latter an end, are the boys the Stanislaus team will have to watch.

Charlie Erdman, the other terminal, may be the target for Brennan's accurate passes if the Rocks concentrate on Hoffman.

Captain Gatto is fit and ready again and chances are that he will play havoc with St. Stanislaus on the line. Joe Redding who relieved Gatto when he was injured in the Easton game showed that he has the stuff and will be ready if needed.

Considerable improvement has been noted in the playing of "Moler" St. Pe who is Gatto's guard mate. Calagno will probably play tackle on defense again which will strengthen the Stenog line considerably.

STENOGS RALLY AGAIN TO BEAT STANISLAUS 11

The Commy Stenogs journeyed to Bay St. Louis Sunday where they came from behind for the second consecutive week to score a victory. Their victim was the St. Stanislaus Rock-A-Chaws. The score, 13 to 7.

The Rocks outplayed Commy in the first half scoring early in the first period when Quinn tossed a pass to Cripps for a 22-yard gain and touchdown. Percy Garriga booted a placement for the extra point.

Staging a second half drive similar to the one in the Warren Easton game just a week before the Stenogs added a touchdown in the third period plus the extra point to tie the score, and another touchdown to win the game in the last quarter.

Bill Schonacher, Jules Pescay and Pete Calagno alternated in picking up yardage in the third period as the Rocks line weakened. Pat Brennan began heaving neat passes for more yardage.

Pescay carried the ball over from the two-yard marker for the Stenogs following a 65-yard drive featured by off-tackle plays.

A 12-yard punt which Commy downed on the Rocks' 35-yard line enabled Commy to score their winning touchdown as Brennan and Schonacker added yardage on end runs. Passes with Brennan tossing brought the oval to the two-yard line again. The quarter ended and Commy was penalized for offsides.

Brennan then passed to Calagno for the score. Brennan's placekick for extra point was wide.

Stenogs, Bees Play On Road

CommyEngages Stanislaus At Bay

By PALMER DELOTEUS

The Commy Stenogs and the Behrman Bees take to the road today to play out-of-town foes representing the Class A and Class B leagues of New Orleans.

Eddie Gatto

Pete Miller goes to Bay St. Louis with the Stenogs for their annual home-coming game with the Rock-A-Chaws. After their surprising victory over Warren Easton, the Commy squad have high hopes of defeating "Wop" Glover's strong squad.

Johnny Brechtel takes his Bees to Baton Rouge to play the Catholic High eleven in a game which was originally scheduled to be played in Algiers.

Commy High has been taking things more seriously following their upset of the Eagles and hope to remain undefeated for the balance of the season.

Pat Brennan, Pete Calagno and either Dick Barnes or Jules Pescay and Bill Schonacher will start in the backfield.

Eddie Gatto is none the worse for his severe treatment in the Easton game and "Moler" St. Pe is at his best. Cliff Doussat and Sal Cannizzari have shown some improvement at the tackles also. Richie Aleman is still nursing a broken arm.

While Ed Hoffman, pass receiver de luxe, is Commy's best end Charlie Erdman's work in practice this past week was encouraging.

The Rock-A-Chaws will have every player available for Commy which is not good news for the Black and Gold team.

Percey Garriga will be ready to start and Ed Heath, who has been out with an injured shoulder will be in the starting lineup.

Gianelloni, running guard, is working at a tackle position and may start at that post to bolster the line.

Behrman High has not defeated an out-of-town opponent this season and is pointing for the Catholic High Bears. The Bees had a five-day prep and three of these were spent in scrimmaging.

Light practice wound up practice Saturday morning and every player on the Bee roster will be able to play except A. V. Harper who broke his leg early in the season.

"Dee" Lala will lead the Bees' running attack with Vernon Clasen and Freddie Camp ready to give him lots of help. The fullback berth will be occupied either by Lavelle or Warren Beason, who have performed splendidly in recent games.

Pete Brechtel, who is ineligible to play in the local Prep league will play in this game. He will start at left end. Warren Hintz will be at the other end of the Bee line.

The probable lineups:

Commy High—Hoffman, Doussat, Gatto, Bacon, St. Pe, Cannizzari, Erdman, Brennan, Calagno, Barnes and Schonacker.

Behrman High—Brechtel, N. Andry, LeBlanc, A. Andry, G. Clasen, Cargol, Hintz, Camp, Lala, V. Clasen and Harper.

COMMY HIGH, STANISLAUS PLAY TODAY

Stenog Aerial Attack Is Expected to Worry Rockachaws

For the third straight week the St. Stanislaus Rockachaws play a local prep team. This afternoon at 2 p. m. at Bay St. Louis the Rocks meet the Commy Stenogs at the Stanislaus football field.

In their first game against local prep competition Stanislaus defeated the St. Aloysius Panthers, 25 to 0. However, last week the Holy Cross Tigers evened things up for the Crescent City by winning a hard-fought battle, 7 to 0. The game this week will be the "rubber contest."

After a great battle last week to nose out the Warren Easton Eagles, 13 to 12, the Stenogs are at their best, and while the Rockachaws will rate a slight favorite the game should be close all the way.

Weak Against Passes

Coach "Wop" Glover's crew has shown a weakness in pass defense in early games this season, and with the Commy aerial attack one of the best in the city Stanislaus will be in for a tough afternoon. Little Pat Brennan and Pete Calagno are two of the best passers in the city and with the great receiver, Ed Hoffman, Commy should go well. This combination has shown to advantage several times this year already.

Last week in losing to Holy Cross the Rockachaw offense suffered as their star quarterback, Percy Garriga, had an injured ankle which impaired his effectiveness to a large degree. However, this week his ankle is healed again and his return to the line-up combined with Percy Stakelum at fullback, the Stanislaus offense will probably return to form.

Captain Eddie Gatto, probably the best tackle in the prep league, will lead the Commy linemen. Sal Cannizaro at the other tackle, Richard Bacon at center and Richard St. Pe at one guard will aid Gatto in an attempt to stop the Stanislaus backs.

Rockachaw Mainstays

The two Bonura brothers, Lloyd and Frank, together with Grevemberg and Gianelloni, are the mainstays of the Rockachaw line.

A great number of local fans are going to Bay St. Louis to cheer for the Stenogs, either by train or automobile.

Starting line-ups:

Commy High	Position	St. Stanislaus
Hoffman	L E	Becker
Gatto	L T	L. Bonura
St. Pe	L G	App

Commy Hi Gridders Win Over St. Stanislaus Rockachaws, 13-7

By Val Flanagan

Bay St. Louis, Miss., Nov. 4.—Commercial High school ruined what probably was one of the most brilliant homecoming and Dads' Day celebrations in years here this afternoon when the Stenographers defeated the St. Stanislaus college eleven 13 to 7. Several hundred former students were among the 2000 fans that saw the Rockachaws go down to their second successive defeat at the hands of a New Orleans institution.

St. Stanislaus scored a touchdown early in the game and had all the best of the play in the first half, but in the second half the Commy High boys came back to outplay and outfight the locals, scoring two touchdowns, one in each of the final two quarters. The Rockachaws continued to fight hard until the finish and threatened twice during the waning minutes of play, but the visitors' defense proved too strong for them to penetrate with any success.

Coach Harry Glover's team played somewhat raggedly against the Commy High eleven in the second half. Their line failed to hold the line plunges of Bill Schonacher, Sam Pescay and Pete Calagno. They failed to break up the passes of Pat Brennan effectively and their own blocking and interference was poor. However, even in defeat, there were several Stanislaus boys who did admirably. One was Percy Gariga, their chief ground gainer. Another was Billy Quinn, who got quite a few tackles in the backfield. In the line the standouts were John Heath, Frank Bonura and V. J. Gianelloni.

Pat Brennan, Schonacher and Calagno carried the brunt of Commy's attack, while Captain Eddie Gatto, Ed Hoffman and Sal Canniziaro were the defensive bulwarks.

St. Stanislaus scored in the first four minutes of play. Percy Stakelum took a punt from Brennan on his own 48-yard line and ran it back to Commy's 25-yard stripe. Gariga sliced off right tackle for three yards on the first play, and Quinn tossed a beautiful bulletlike pass to Cripps, who trotted 22 yards for a touchdown. Gariga place-kicked goal for the extra point.

The Rockachaws threatened twice in the second quarter. A six-yard end run by Gariga and a lateral pass from Gariga to Quinn brought them to the Commy 20-yard line, but they were forced to kick on fourth down. The punt went over the goal line and Commy got the ball on its 20-yard line. On the first Commy play Stakelum intercepted a pass from Brennan on the Commy 40-yard line and ran it back to the 23-yard stripe. After two passes gained eight yards, the Rockachaws finally lost the ball on downs on Commy's 15-yard line.

Commy High drove 65 yards for its first touchdown after getting the ball in the second half. It was a series of off-tackle plays by Barnes, Schonacher, Brennan and Calagno that carried the leather to the two-yard line, from where Sam Pescay ploughed through center to count. A pass from Brennan to Hoffman behind the goal line netted the extra point and the score was knotted at 7-7.

A bad punt by Gariga gave the Stenogs their opportunity to score a second time. The ball traveled only 12 yards and was downed on St. Stanislaus 35-yard line. Several end runs by Brennan and Schonacher and two successful forward passes, one from Brennan to Calagno for five yards and another from Brennan to Pescay for 17 yards, brought the ball to the two-yard line as the third quarter ended.

An offsides penalty temporarily halted Commy's advance, but an aerial from Brennan to Calagno was good for a touchdown. Brennan's place-kick for the extra point was wide to the right.

In the final quarter Stanislaus stayed continually in Commy's territory, but they failed to get a score. Once Gariga fumbled on the seven-yard line and Commy recovered. Another time they had a pass intercepted by Gatto on the 20-yard line. A third time they lost the ball on downs.

Pascagoula Panthers Prep for Tilt With Stanislaus

(Special to The Times-Picayune)

Pascagoula, Miss., Nov. 7.—The Pascagoula Panthers are being carefully rounded into shape for the last conference game Saturday in Bay St. Louis, when they meet the St. Stanislaus Rock-a-Chaws. The Panthers have played seven games to date, winning six by decisive scores and tying one. If they are victorious over the Rocks they will be in a favored position for the championship of the coast regional Class A conference, as the scores they have annexed are larger than the ones turned in by Picayune, the team that tied them.

St. Stanislaus, Pascagoula to Battle Saturday

(Special to The Times-Picayune)

Bay St. Louis, Miss., Nov. 6.—Despite the setback handed the St. Stanislaus Rockachaws by the Commy High Stenogs last Sunday, Coach Glover's charges are prepping more intensively for the invasion of the Pascagoula Panthers here Saturday afternoon.

Saturday's battle will decide the championship of the Gulf coast regional, giving the winner the right to represent the coast in the state play-off. Last year Pascagoula carried the coast away in a walk only to lose the state title to Kosciusko 19 to 7.

The scores made by the 1934 Panther machine have been most impressive. With the exception of the tie score of 13-13 with Picayune, Pascagoula has averaged four touchdowns on every team played. The opposition has been held to one score, most of the time this being scored in the periods held by the subs.

Stanislaus has had a lot of hard luck with injuries this season, but aside from that, the ragged playing in the last two games against New Orleans prep teams has slowed the team up considerably.

Coach Glover will be busy this week ironing out these defects to overcome the threat carried by Pascagoula. The whole team reported Monday in good physical condition ready to get into training for the biggest game on the Stanislaus schedule this season.

ascagoula High Panthers Defeat Stanislaus to Win Coast Crown

(Special to The Times-Picayune)

Bay St. Louis, Miss., Nov. 10.—In one of the most thrilling games played this year on St. Stanislaus field, the Pascagoula High's Panthers pulled out with an 18 to 12 score over the Stanislaus Rockachaws and thereby captured the 1934 Gulf coast championship.

With the exception of one Ernest Larsen, the Rockachaw squad would have been top scorers. This boy came well advertised and everything he did during the game was even better than the pregame dope. He passed, ran and punted with success.

Stanislaus drew first blood in the first quarter when Stakelum intercepted one of Larsen's passes on the visitors' 35-yard line. Runs by Garriga, Stakelum and Borne brought the ball to the three-yard line where Garriga carried it over standing up. His attempt at placement was missed.

Pascagoula came right back when Garriga kicked to Hudson on his own 15 who carried it to the 30. Grimley went off tackle on a reverse for 47 yards. Larsen went around end for another 10 yards, bringing the ball to the Stanislaus 15. A late lateral from Larsen to Grimley brought the touchdown. A try through the line failed.

After the kickoff, Pascagoula was held for three downs on its own 25. On a fake punt Larsen went through tackle for 25 yards. Another lateral from Larsen to Hudson gave a big gain. Larsen passed to Roberts, bringing the ball to the two-yard line. Larsen lost 10 yards on an attempted pass. A pass from Larsen to Roberts behind the goal line gave the visitors their second tally.

An attempt at placement failed. The quarter ended a few minutes later with Stanislaus holding the ball on its own 25-yard line.

Walter Dees opened the third quarter with a kick to Gonzales on his own 15. Chico returned it to the 30. Stanislaus started a drive which ended at Pascagoula's 45-yard line when Garriga's punt was blocked and recovered by Larsen on Stanislaus' 45-yard line. Betty, Panther left end, went around end on a reverse for 45 yards and a touchdown. The attempt at placement was wide.

Stakelum received Walter Dees' kickoff on his own 30 getting five yards on the return. The Ricks started a drive with short passes over the line netting several first downs, but Pascagoula's line held like a stone wall when the two-yard line was reached. Stanislaus was held here after three attempts at the line failed. An end run by Garriga was stopped on the one-yard line.

Pascagoula punted to their own 45-yard line. Again Stanislaus passed for downs, Quin to Cripps bringing two successive first downs. A short pass from the 10-yard line, Quin to Flink, went over. Garriga's attempt at placement was blocked. For the rest of the game both teams fought for every inch of the way. Larsen and Davis at times endangering their goal, only to lose ground on big losses from tackling by Gianelloni, Flink and Frank Bonura.

Stanislaus accounted for 17 first downs to the visitors 10. Stanislaus completed 11 passes on 15 attempts, while the visitors were held to three completed out of 11 tries.

The Stanislaus line played the best defensive game of the year breaking up the spinner plays time after time. Larsen's shifty running was the best seen on Stanislaus' field in many years. His hefty weight makes him one of the hardest men in prep circles to tackle.

McGill Hi Scores Over Stanislaus

BAY ST. LOUIS, Miss., Nov. 19.—McGill High easily defeated the St. Stanislaus Rock-A-Chaws in their annual game at Bay St. Louis here today by the score of 19 to 6.

A drive which started on their own 30 after the opening kickoff wound up in the first touchdown as Ankerson went off tackle for the score from the 15-yard line. Sweeney's drop kick was wild for extra point.

Tew, McGill left tackle, recovered a fumbled pass from Quin to Garriga and raced 57 yeards for the second touchdown in the second quarter. Sweeney's dropkick was good for the extra point.

Stakelum's poor punt gave the McGill eleven the ball on the 35 yard line where they started the drive for their third touchdown. Sweeney passed to Ankerson for a first down on the 15-yard line and two plays later Ankerson scored. Sweeney's dropkick was low.

Sweeney, Marhee, and Isaac were best for McGill with Garriga and Stakelum starring for Stanislaus while Gianelloni, Ed Heath and Grevemburg best on the line.

St. Aloysius Loses To St. Stanislaus, 21-17

BAY ST. LOUIS, Miss., Jan. 12.—St. Aloysius of New Orleans lost to St. Stanislaus, 21 to 12, while St. Stanislaus lost, 29 to 14, to Dedeaux High in a preliminary game here.

Ed Bergeron and Eddie Ryan were the chief threat of the Panthers of St. Aloysius while Gonzalez, Stakelum and App played well for the Rock-a-Chaws. Both St. Aloysius and St. Stanislaus played a close guarding game.

(Special to The Times-Picayune)

Bay St. Louis, Miss., Jan. 13.—The St. Stanislaus Rockachaws split a doubleheader here this afternoon. The St. Stanislaus team dropped a 29-to-14 game to the Dedeaux High team, while the Stanislaus varsity won from the St. Aloysius Panthers of New Orleans, 21 to 17.

Both varsity teams resorted to a close guarding game throughout. The Rockachaws showed a nice passing game with fine floor work by Gonzalez, Stakelum and App. Bergeron and Ryan were the best for Coach Zelden's squad.

Fortier Tarpons Lose Cage Battle to St. Stanislaus

(Special to The Times-Picayune)

Bay St. Louis, Miss., Jan. 22.—The St. Stanislaus Rockachaws won a fast, interesting game from the Fortier Tarpons tonight, 29 to 27. Both teams played a cautious game throughout the first half, the visitors taking the lead with field goals by one.

The score at the half was 10-all. The third quarter was even all the way through. Each time that St. Stanislaus made a goal, the visitors were right back with another.

The Rocks steadied in the fourth quarter to draw away, at one time leading by eight points. In the closing minutes two field goals and a double foul brought the visitors to within a field goal of tying.

Stanislaus Five Defeats Spring Hill High 28-26

(Special to The Times-Picayune)

Mobile, Ala., Jan. 31.—Whipping a snappy passing attack into prominence to pile up a first-half lead, St. Stanislaus High school of Bay St. Louis withstood a belated rally to defeat Spring Hill High's basketball team, 28-26, on the Hill court this afternoon. It was the second victory for the visitors in two days, the visitors winning from McGill, 46-43, on the Y. M. C. A. court Wednesday night.

For Coach "Wop" Glover's team it marked revenge for the only defeat of the season, to a 31-9 count, stamped on two weeks ago in Bay St. Louis by the Hillians.

The Hill's drive featured the floor work of Jack Bolling, Henry Norden and Crawford Adams, a freshman center whose improvement stamps him among the city's best. Gianeolloni, who scored 21 points against McGill High Wednesday night, was limited to three points by Adams' fine guarding. However, Gianeolloni's floor work, with that of Gonzales, carried honors in triumph, with Garriga and Borne topping the scorers.

Score by quarters:

Spring Hill	6	3	10	7—26
St. Stanislaus	9	7	6	6—28

St. Stanislaus (28), Borne 9, Gerchew 2, Becker, forwards; Gianeolloni 3, center; Gonzales 6, Garriga 8, guards.

Spring Hill (26), Rogers 4, Byrnes, Sires 3, forwards; Bolling 6, Adams 4, center; Norden 4, Brislan 5, guards.
